- No events for the month of January.

- The meeting this month focused on a better process to get applicants into the program. There was a brief planning meeting on the upcoming Adult and Junior Leadership programs for the upcoming month.

- There was 1 class of Alive @ 25 taught during the month of January at the Greer PD..

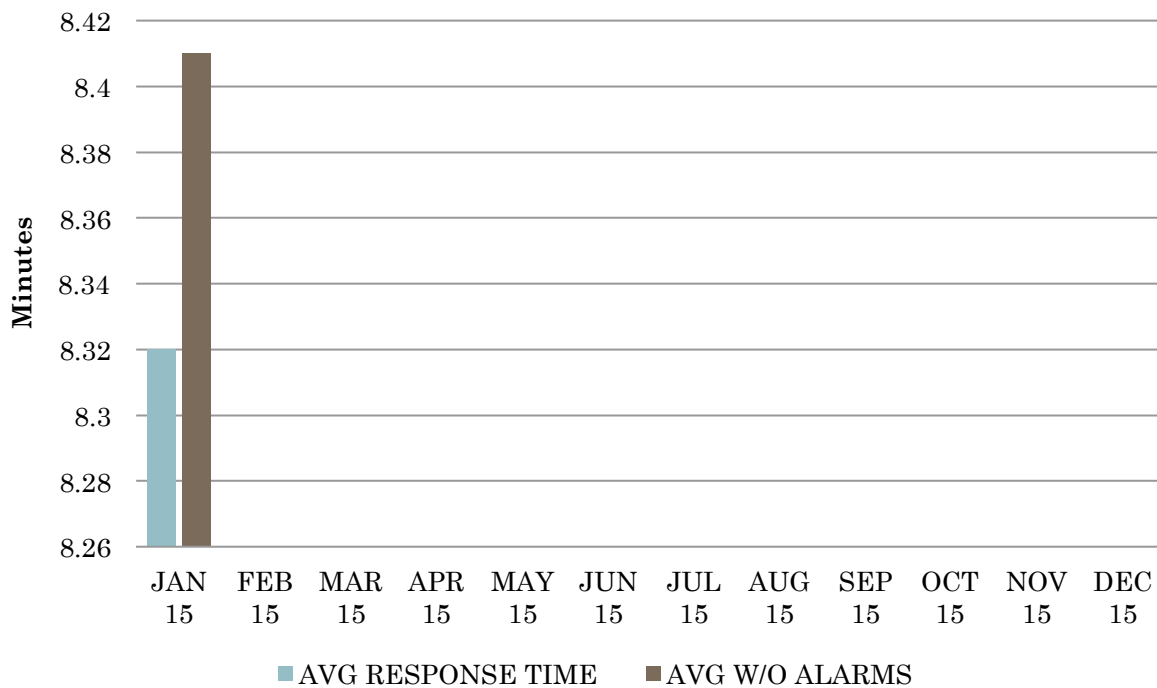

I had a brief meeting with the residents of Shelburne Farms about starting a Neighborhood Watch. The meeting was attended by only the HOA Board as they were looking for information to help in a series of recent autobreakings. The residents had a great number of questions about the program and they are still seeking opinions from residents of the community before they move further on the idea.
