The motion was seconded by Wayne Yount.

Vote:

Motion carried unanimously.

VI. Committee Reports

- a) **DAV** – Alan Clark, Adjutant, gave an update on adding names to the Veterans Memorial. The recommendation from the DAV is to use pavers in front of the existing columns. This would allow for names to be added as the requests are received and approved rather than waiting for numerous names to be collected and then added. Ann Cunningham explained past practice was to wait and collect several names, which could take a year or more, and then add several names at one time due to the expense incurred to etch the names. Alan gave a hand out of the DAV Chapter 39 activities since November 2016 forward. (Attached)
- b) No other Adhoc Committee reports were presented.

VII. Departmental Questions/Discussions

- a) **Century Park Construction Project** – Red Watson, Assistant Director
A final walk through is scheduled on January 27, 2017. New bleachers have been installed and shade structures have been ordered. Before Opening Day on April 1, new scoreboards, dugout covers and a new entry gate at the lower entry to the fields, trash receptacles and picnic tables will be installed. Slides of the architectural conceptual drawings and the actual final facility after the construction was completed was shown to the board. Amanda Somers commended all involved on how great the new facility looks. Marc Metcalf inquired about the drainage problems and Red Watson said the work done has withstood some substantial rains.
- b) **South Suber Road Park Master Plan** – Ann Cunningham, Director
The South Suber Road Master Plan Project Steering Committee met 3 times and developed recommendations to be submitted to Greer City Council at a later date. Alta Planning + Design in Greenville will be submitting a proposal including growth projections. No timeframe for completion of this project has been established. Ann will share the recommendations with the board once council has approved it. Amanda Somers and Marc Metcalf inquired about a traffic light at the entrance and shifting the entrances across from Suber Mill Road. The traffic light would not be considered through DOT until after the renovation is completed and additional traffic studies are completed. The entrance will be shifted to across from Suber Mill Road with 2 additional exits. A turn lane is also being planned to enter the facility.
- c) **Athletics Division** – Cory Holtzclaw, Athletics Supervisor
Tournaments were held during the 2015/2016 fiscal year and were fairly large and some were weeklong tournaments which gave a boost to the revenue for baseball. The tournaments are held during the summer months when other sports are finished. During the winter, youth basketball has been added for ages 6-12 and the teams interleague with the City of Mauldin. Wrestling has continued to grow as a result of the partnership with Riverside High School use of their wrestling room. Zach Salvato and Brian Levinson are the coaches and have arranged for the youth to wrestle during the high school meets. A new sport, adult knocker ball, is in the planning stages.

d) **Cultural Arts Division** – Sara Odom, Cultural Arts Assistant

Four performances were held during 2016. The production of “Wonderland High” was profiled by Music Theatre International on their website and the writers and composer visited a performance and toured the City of Greer. Camp ARK (Arts Reaching Kids) was a huge success again. Little Free Libraries were decorated and placed at Victor Park and the Needmore Recreation Center. The Center for the Arts opened with 6 artists currently in residence.

e) **Events Division** – Ashlyn Stone, Events Supervisor

The division facilitated 683 events with over 128,000 people and generated more than \$168,000 in revenue. A relatively new event, Food Truck Rollout, will be held on January 20 from 5pm-8pm at Greer City Park. There are over 1,000 people interested in this event sponsored by Greer CPW. A Bridal Showcase will be held on February 18 at Greer City Hall with local vendors, rental companies and florists showcasing their products and services to brides-to-be. Moonlight Movies will be back starting June 1 on Thursday evenings in Greer City Park with a great movie lineup.

f) **Grounds Division** – Bruce Viehman, Grounds Superintendent

Leathers and Associates conducted an assessment of Century Park Kids Planet which was constructed 18 years ago. A masterplan will be developed to determine the option to retrofit the existing structures or replace with new units. Century Park infields were rebuilt and thick brush was cleaned out on the disc golf course. The hiring of goats to rid the area of kudzu is under consideration. A slot drain was installed at City Stadium adjacent to the stadium wall and a new scoreboard was placed in the south end zone. Two landscape beds were created on Randall Street with funding provided by the City of Greer and Partnership for Tomorrow. A partnership with the American Legion provided tarps and weights for the pitching mound and home plate at Stevens Field. Amanda Somers requested a report of rainfall; 33.39 inches of rain over 56 days.

g) **Recreation Division** – Red Watson, Assistant Director

The Needmore Recreation Center After School received the LiveWell Greenville Healthy Out-of-School Time Silver Award. Pickleball continued to increase in popularity. The Children’s Nature Zone at Kids Planet and the Needmore After School Garden Club were two new programs offered to the Greer community. The MLK event was sold out again this year with 300 participants. Sammy Dotson and Chad Richardson were the recipients of the Samaritan Award. The Walk with Your Elected Official will take place in downtown Greer on January 21. There will be 3 more walks throughout the year. The Eggstastic Easter will be held on April 8 at Century Park, and summer camp registration for City of Greer residents will begin on March 13, non-residents on March 20.

VII. Financial Reports – Program Funds – Red Watson

- a) All recreation program fund accounts are on budget. Breakfast with Santa is funded in part through sponsorships. Spring sports registration began the first week of January for residents and the second week for non-residents.

Pickleball lines will be installed at the tennis courts during February. A batting cage will be installed at H.R. Turner Park utilizing Recreation Program Funds. Century Park pedestrian bridge will be installed using a PARD (Park and Recreation Development) grant. A GCRA (Greenville County Redevelopment Authority) grant is utilized for the Needmore Summer Camp and Senior Computer Classes.

IX. Director's Report – Ann Cunningham, Director

- b) Each trustee received a printed copy of the Parks and Recreation Department's Annual Report. (Attached) Ann reviewed the Administration portion of the report. The City of Greer Strategic Plan Components 2016 Action Improvement Items were reviewed. Over \$500,000 was spent in construction renovations and facility upgrades. Charles Ryan inquired about the Walking and Bicycle Plan. Ann gave a brief update on the sidewalks at Brushy Creek Road all the way to Hwy. 14 to make connections to the downtown area. Bicycle racks are in the process of being installed, 5 have been completed and 12 more with a fixit station will be installed later this year. Walking and biking corridor down Trade Street to the Center for the Arts is in the first phase of the plans. The Council Retreat in March will encompass discussions on plans. Ann also highlighted the 2017 department projects. In addition to the annual report presented to City Council, each department will also be highlighting one of their monthly activity reports at the second council meeting of the month. Red Watson will be presenting the Parks and Recreation Department 's report at the July 25, 2017 Greer City Council meeting.

X. Old Business

- a) **2017 Meeting Dates** – Ann Cunningham, Director

No decision was made to set the meeting dates for the rest of 2017. Ann brought to the Boards attention that there was not a quorum for the last 3 meetings. Amanda Somers thought the frequent reminders sent was a great help in keeping the date for the meeting fresh in their minds. A suggestion was made to possibly utilize doodle calendar for the meetings.

Monthly Report for

December 2016

Christmas Tree Lighting at Greer City Park

The City of Greer Parks and Recreation Department is committed to fulfilling our mission of providing quality recreational experiences while administering the values of community image, human development, preservation of environmental resources, health and wellness, economic development and cultural unity.

Department Projects

- ♦ Replacement of Pedestrian Bridge at Century Park:

With Mr. Driggers' approval, PARD funds in the upcoming cycle will be utilized, to replace the bridge at Century Park. Originally, \$45,000 was requested (for a 45-ft. bridge) in the current budget year, through hospitality funds, for this project. This number was obtained through comparing similar projects that the Greenville County Recreation Department has done in the past, recommending \$1,000 per lineal foot.

Payments have been made to Sinclair Associates to provide a topographical survey (\$1,350), S&ME to provide soil borings (\$3,700), and Palmetto Structural Engineering to make a recommendation for the bridge moving forward (\$4,500). These costs total \$9,550, leaving \$35,450 remaining in hospitality for this project.

Ryan Summey, Structural Engineer with Palmetto Structural Engineering, suggests that a 70-ft. bridge will now be needed, based on data from a topographical survey and soil borings. The estimated total cost of a 70-ft. bridge is \$63,500 (including \$3,000 for architectural fees).

There is \$49,910.33 available in PARD funding for this cycle (\$5,251.24 recurring funds from 2016, \$6,437.08 recurring funds from 2017, \$38,222.01 one-time money). Using these funds requires the City to provide a 20% match, which would total \$12,477.58 (\$1,312.81 recurring funds from 2016, \$1,609.27 recurring funds from 2017, \$9,555.50 one-time money). We will use these funds for the bridge project, and pay for the match through our budgeted hospitality funds for this project.

The remaining \$9,382.75 in budgeted hospitality funds for this project could be used for project contingency and/or applied to the Kid's Planet Master Plan.

- ♦ Giant Tube Dude was installed on December 12, at Greer City Hall, and Scott Gerber, the artist, was given a tour of the City of Greer and our facilities. A list of recommended locations was determined for the 8 smaller tube dudes that have been commissioned for the city. Designs for each piece will be discussed and finalized in the early part of next year.

- ◆ The Suber Road Master Plan meeting was held on December 15 in the OC Conference Room. Members were presented with conceptual plans for the project and made suggestions for final changes.
- ◆ Red Watson and Ann Cunningham met on December 6 to finalize the grant application for Parks and Recreation Development Funds. The application was submitted on December 16.

Department Trainings
